AUTOMOTIVE EQUIPMENT

CANADIAN OWNED AND OPERATED SINCE 1999

OCTOBER SPECIAL

Lever-Less

Tire Changer Attachment

50%
OFF

The Lever-less Tower eliminates traditional tire tools that can mar the surface due to tough tire applications and operator error. This ensures a smooth demounting process, flexing the beam just enough for removal.

Lever-less Tower Works with most types of tires, including run flats, high profile and motorcycle tires with tubes.
