

The Daytona TPO310ACX 10,000 lb. ALI Certified Light Duty Two Post Lift is a premium Bi-Symmetric design clear floor vehicle lift with the latest design features including, 3 Stage front arms with full 180° rotation for symmetric & asymmetric lifting, low profile 4" adjustable swivel pads and single point cable lock release. The rigid one piece column combined with direct 'pull' cylinders make it the perfect service lift for passenger cars, SUVs & most light duty trucks. The automatic arm restraints, hose & door guards complete the package for a premium, high quality lift, all at a great value
